Washington State Elections  
& Island County

General Election  
November 2

2021

Official Publication

**WASHINGTON**  
Secretary of State

*Tom Wagner*

Ballots mailed out **October 15**

1 (800) 448-4881 | [sos.wa.gov](http://sos.wa.gov)

I am pleased to present the 2021 General Election Voters' Pamphlet. We offer this comprehensive guide as a reference to help you find information about the candidates and measures that appear on your ballot.

This general election you will have the opportunity to vote for local officials and measures that could have a significant impact on your community. Yet in order to make your voice heard, you must be registered to vote. Voter registration forms that are mailed or completed online must be received by Oct. 25, and we encourage you to check your registration information today at **VoteWA.gov**. After Oct. 25, you must visit your local elections office or voting center during regular business hours and until 8 p.m. on Election Day to register to vote or update your registration and receive a ballot.

Once you have completed your ballot, be sure to sign the return envelope. This is important, as election officials verify your signature matches the one on your voter registration file before they can count your ballot. Then, send your ballot via U.S. mail — no postage needed. Remember, all ballots must be postmarked by Nov. 2 in order to be counted. The U.S. Postal Service recommends that you mail a week before Election Day. You can also return your ballot using an official ballot drop box anywhere in the state. Drop boxes are open until 8 p.m. the day of the election. Check **VoteWA.gov** to locate a ballot drop box.

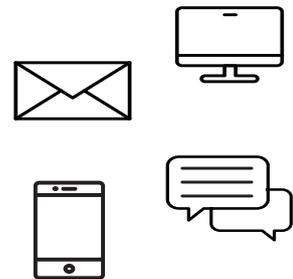

By voting, you are ensuring your voice is heard. Make an impact in your community and our state by voting this fall.

Sincerely,

Kim Wyman  
Secretary of State

### What does #TrustedInfo mean?

- #TrustedInfo aims to highlight state and local election officials as the credible, verified sources for election information.
- The nation's Secretaries of State, 40 of whom serve as their state's chief election official, along with other state and local election officials are continuously working to inform Americans about the elections process, including voter registration, state election laws, voting, and much more.

## Qualifications

You must be at least 18 years old, a U.S. citizen, a resident of Washington, and not under Department of Corrections supervision for a Washington felony conviction.

If you're 16 or 17 years old, you can sign up as a Future Voter and be automatically registered to vote when you qualify.

## How do I register to vote?

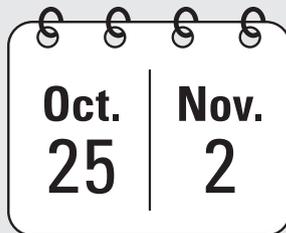

**Online:** Register at [VoteWA.gov](http://VoteWA.gov)

**By mail:** Request a paper form be mailed to you or print your own at [sos.wa.gov/elections](http://sos.wa.gov/elections)

No internet access? Call 1 (800) 448-4881.

**In person:** Visit a county elections office (listed at the end of this pamphlet).

## Registration deadlines

**By mail or online:** Your application must be received no later than October 25.

**In person:** Visit a local voting center no later than 8 p.m. on November 2.

Check your registration info at [VoteWA.gov](http://VoteWA.gov).

## Moved? Update your voting address

Contact a county elections office to request a ballot at your new address.

**By October 25:** Have your application received by mail or updated online.

**Or**

**By November 2:** Visit a local voting center in person.

## What if I'm not 18 yet?

**If you are 16 or 17, become a Future Voter!**

# # Future Voter

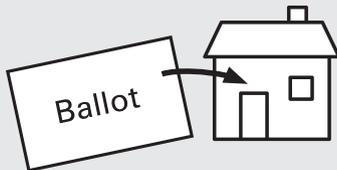

Sign up online at [VoteWA.gov](http://VoteWA.gov) with your Washington state driver's license or ID. Or you can fill out a paper registration form using the last four digits of your Social Security number and mail it in. You'll be automatically registered to vote when you qualify.

Every January on Temperance and Good Citizenship Day, high school students 16 and older have the opportunity to complete a voter registration form in class.

# How do I vote and return my ballot?

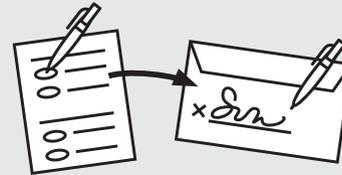

1

If you're registered to vote, there is no need to request a ballot. Your ballot will be mailed **October 15** to the address you provide in your voter registration. If you need a replacement ballot, contact a county elections office listed at the end of this pamphlet.

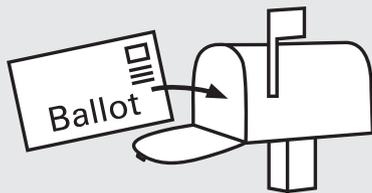

2

Vote your ballot and sign your return envelope. We need your signature to accept your ballot. You are not required to vote every race on your ballot. We encourage using this pamphlet to help you decide.

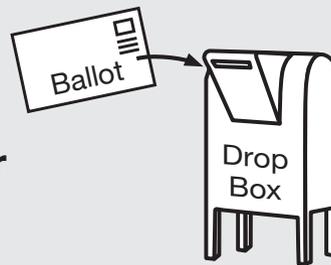

3

Return your ballot by mail, no stamp needed. If mailed, your ballot must be postmarked by **November 2**. Don't let a late postmark disqualify your ballot. The USPS recommends that you mail a week before Election Day.

Or, return your ballot to an official ballot drop box. Drop boxes are open until 8 p.m. on **November 2**. Find drop box locations at **VoteWA.gov**.

Or

If you cannot personally return your ballot, let only people you trust deliver it for you.

4

Check the status of your ballot on **VoteWA.gov** to see if it has been received by your county elections office.

Election staff will contact you before your ballot is processed if:

- Your signature is missing
- Your signature doesn't match your voter registration record

## View election results online

After 8 p.m. on election night, tallied results from each county are posted at **sos.wa.gov/elections**.

Results are updated as counties report and unofficial until certification.

When reviewing online or printed information, think about:

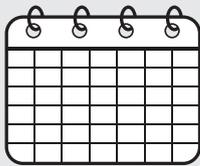

## Who made this, and who is it for?

Was it a company, or an individual person? Who is the intended audience?

## Why did they make it?

Think about the purpose. Is it to inform, entertain, or persuade?

## When was this made?

Is the information relevant today?

## What makes it believable?

Is there evidence from a reputable source or expert?

## How might other people read this message?

Consider how someone with a different background might interpret it.

## Ask the experts

Consult a fact-checking site or ask an official source. Get trusted info from your county auditor or elections office.

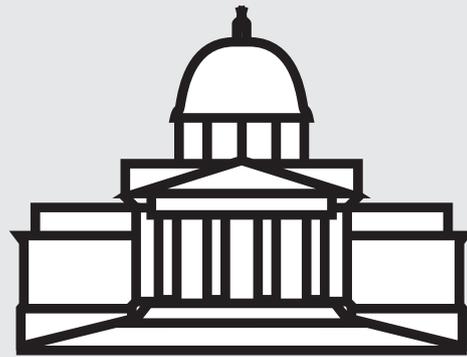

**i** Advisory votes are the result of Initiative 960, approved by voters in 2007. The Office of the Secretary of State publishes the Attorney General's advisory vote description according to RCW 29A.72.283.

You are advising the Legislature if you do or do not favor a tax increase passed during the recent legislative session.

**Repeal** — means you **don't favor** the tax increase.

**Maintain** — means you **favor** the tax increase.

**Advisory votes are non-binding.  
The results will not change the law.**

# Voters' Pamphlet

November 2, 2021 General Election

Dear Island County Voter,

Welcome to the 2021 Island County General Election Voters' Pamphlet. This pamphlet will provide information about local candidates and measures on your November 2, 2021 ballot.

The Secretary of State Voters' Pamphlet is designed to provide candidate information about state, congressional and legislative candidates, state candidates and measures on the ballot. The Island County Voters' Pamphlet insert contains information regarding local measures, offices and candidates.

Island County has one countywide race; Assessor, as well as municipal and junior taxing district candidates. Our Island County pamphlet insert and Island County online voters' guide cover these races.

Voters are hearing "DON'T DELAY" to register, to vote and to return their ballot. We encourage new voters to register early. Know your registration status! Washington State voters can register online or in-person, and verify their registration status at [VOTEWA.gov](http://VOTEWA.gov). In person registration is available at the Elections Office, 400 N Main Street, Coupeville or Administration Building, Camano Island.

We live in a state where all voters have enjoyed the ability to cast votes by mail for over ten years. In Island County, we have voted by mail for almost twenty years. Voting by mail enables voters to study candidate data and information in the Online Voters Guide or Voters' Pamphlet; make informed choices and mark/return their ballot when it arrives. This easy access to voting has never been more important than in 2021 enabling us to vote safely from our homes during the COVID-19 pandemic.

Voters are urged to return their ballot early using either a Ballot Drop box or USPS mail - postage free. The USPS recommends mailing ballots 7 days prior to Election Day to ensure it is postmarked on time. If you wait until Election Day to return your ballot, ensure your ballot is postmarked on Election Day, take your ballot inside the Post Office and ask postal staff to hand stamp the envelope with the current date.

Each year, some voters delay in mailing their ballot until after the last pick up at their post office on Election Day. They do not realize their ballot will be postmarked the day AFTER election day and cannot be counted. Know the time of the last pick where you mail your ballot. Don't delay, vote and return your ballot right away!

Every vote is important, be sure yours can be counted! No stamp is needed to return your ballot.

Ballot Drop boxes are open until 8:00pm on Election Day; county election staff picks up these ballots. Be safe, vote here.

We are here to provide the best possible Election service. Please contact us if you have questions or need additional help. You may also go online to [VOTEWA.gov](http://VOTEWA.gov) for more information.

Warm regards,  
Island County Auditor

### Elected Experience

I have no experience as an elected official. I have extensive experience as a 29 year Officer in the United States Navy at the highest levels of government, including serving as a Senior Officer on the Navy Staff and Secretary of Defense Staff.

### Other Professional Experience

I have over six years experience as a Level III Residential Appraiser for Island County and have physically walked all corners of Island County.

### Education

Bachelor of Arts, University of Alabama

### Community Service

I am a member of the Whidbey Presbyterian Church, Whidbey Golf Club and very active at all county schools as a high school basketball and football official.

### Statement

Due to the unforecast mid-term departure of the incumbent Assessor and Principal Deputy Assessor, I came out of retirement to lead the Assessor's office during a critical period of high staff turnover and rapidly appreciating home values. I offer extensive leadership and management experience as a retired Navy Captain but will also roll up my sleeves as demonstrated when I retired from the Navy and joined the Assessor's office as a \$14 an hour appraiser trainee and worked my way up. I will provide fair and equitable valuations for all property owners in Island County derived in an open and transparent manner. The customers of the Assessor's office are the taxpayers of Island County and the Assessor's Office will be laser focused on supporting our customers.

I have lived and owned property in Island County for over 15 years. My family is active in the Whidbey Presbyterian Church and I'm not afraid to make the hard calls as a high school football and basketball in South Whidbey, Coupeville, Oak Harbor, Stanwood School Districts and surrounding counties. My wife, Jennifer, is a nurse in the Oak Harbor School District and daughter, Gracie, is a 2020 graduate of Oak Harbor High School.

**Statement**

We moved to Langley in December 2012 from Amaliada, Greece. We moved here because we had come to enjoy life in smaller cities. We had been to Langley several times during the 25 years we lived in Seattle. Langley is, like the rest of country, is at an inflection point. The community is becoming more diverse and sees the need to be more inclusive with activities like passing a Sanctuary City resolution and establishing the Dismantling Systemic Racism Advisory Group. As an African American woman, I feel I have unique lived experience. I attended majority white public schools, including Lowell High School, the oldest high school west of the Mississippi and is still a selective co-educational, public magnet school.

**Statement**

I am running for city council because I want to help by working with other council members, the mayor and city hall staff to strive to the future with citizen involvement along with business and nonprofits churches and art and cultural venues, increasing music and entertainment activities and have fun, while carrying out the duties of a council member.

Langley city council introduces ordinances and approves or disapproves them to add to the quality of its government, budgets, and gains knowledge of where the funds are allocated and keeps city government in the black by attending to the bottom line.

Langley is a beautiful and laid back town and should retain its sweet nature while addressing items such as multi-cultural sensitivity awareness, mental health, and suicide awareness that will enhance the health and safety of its citizens. Maintaining the beautiful gardens and trees in town is also important for our townspeople and tourists to enjoy.

It is important to have communication between small business and the chamber of commerce and continue to strengthen that communication so that businesses are supported and thrive in an era of environmental changes and the impact they will have on the town. Please Vote

**Statement**

I have lived in Langley over 20 years, in a rural setting with a thoughtful and caring community. I have raised my family here, grown my own food and supported fellow farmers. A welcoming, inclusive, just and democratic community is my core value and always has been, which is why I am running for city council. Since 2007, I have helped revise Langley's Comprehensive Plan Land Use Element, worked with four planning directors and joined the Planning Advisory Board, where I am currently the chair. Among my accomplishments is the creation of an orientation document for new board members and most recently, convening a working group to address affordable housing needs in our city. I am heartened by the recent work to become a Sanctuary City, establish a Dismantling Systemic Racism Advisory Group and most recently to declare a Climate Emergency, joining five other local governments and tribes in Washington to do so. I will continue to work on these priorities with city council, community boards and organizations and hope to encourage my fellow South Whidbey Islanders to have their voices heard in Langley. I believe in a transparent government that includes all of its citizens in decision making.

### Statement

I have over 30 years experience working in the public, private and non-profit sectors, including work on energy efficiency, water efficiency, community development and sustainability issues. My work has included projects for the U.S. Environmental Protection Agency (US EPA), Pacific Northwest Labs (PNL), the Whitehouse, Rocky Mountain Institute (RMI), the Metropolitan Water District of Southern California, the German Ministry of the Environment, the University of Michigan, Solar Energy International (SEI), Roaring Fork Railroad Holding Authority and numerous state and local government agencies. I have also given lectures on sustainability issues in the United States, Canada, Cuba, Nicaragua, Germany and Sweden. I believe that no ideas can move forward in government without the support of the people and therefore I put a premium on public involvement in decision making. I don't care what someone's politics are, if they come to be as a concerned citizen I will treat them fairly and respectfully.

### Statement

Langley is growing and changing. Change is part of the ordinary course of life and something we should embrace. I am not a career politician, so let's get to the point on why I ask for your vote.

Vision:

- **Infrastructure:** I support improving our physical infrastructure including, sewer system and stormwater upgrades, transportation, zoning, and other issues while preserving the charm we enjoy today.
- **Business:** Small business is the lifeblood of our city. I support the growth of commerce in our city core and surrounding neighborhoods across retail, service, manufacturing, and hospitality.
- **Environment:** I believe that we are charged with stewardship of our environment. Nature, people, and business can thrive and co-exist in Langley.
- **Government & Budget:** I believe that government should work in the background to create an equal playing field for all residents and businesses. It succeeds because we succeed. I pledge to be an accessible, visionary, and result-driven city leader dedicated to stewardship of our financial and environmental resources in a responsible, productive, and positive manner.

It is an honor to present myself as candidate for Langley City Council Position #5.

**Community Service**

I am the former Board President and an active board member of the Oak Harbor Main Street Association for 4+ years. I am a Commissioner on the Oak Harbor Historic Preservation Commission. I have been fully committed to volunteering my time to our Oak Harbor community.

**Statement**

Oak Harbor needs leaders with a vision for the future of our community. It is important to me that we repair our local economy and housing situation to ensure that our children have the opportunity for employment and can afford to live here in Oak Harbor. Our downtown can be a vibrant gathering space and the economic center of our town as it should be. With the proper leadership we can attract businesses that will increase opportunity for everyone to have the opportunity to succeed. I will work to preserve our unique natural beauty while ensuring a vibrant economy for generations to come.

As a city council member, I will work to ensure that everyone's voice is heard. I will work to develop the relationships needed to enhance our competitive positioning as a city and preserve the quality of life that we deserve.

I ask for your vote and the privilege to represent you on the City Council.

**Statement**

I am a mother, Navy spouse, and proud resident of Oak Harbor. My work as an early childhood education advocate has taken me to Olympia and Washington DC to fight for my cause. My experience as a state and national level advocate as well as a local volunteer has helped me to realize that now is the time to use my knowledge and skills to further benefit our city. The work that I have done locally allows me to see and experience first-hand the struggles faced by our community and its residents. Over the last six years, I have focused my efforts on those most vulnerable, from the homeless to our elderly; from children to those affected by family violence.

I envision a bright future for Oak Harbor, where community and government are inclusive, effective, and benefit us all. I will invest in our residents, our environment, and our community, striving to create and sustain workforce housing, utilizing, and expanding sources of renewable energy, and advocate for wrap-around services to those struggling with mental and behavioral health.

Shane served as an elected Commissioner for the North Whidbey Pool, Park, and Recreation District (NWPPRD) beginning in 2015 through 2020. During his tenure within NWPPRD, Shane held every position on the board, gaining invaluable experience: Board Chairman 2017; Vice-Chair and Acting Chair 2018

**Community Service**

NWPPRD, Little League, Pony Club, Washington Trails Association

**Statement**

Join with me in the fight to make Oak Harbor more affordable for families. Reducing the strain placed on the ratepayers by the city's exorbitant monthly utility bill is the top priority.

Results matter: In 2017/2018 Shane's leadership, commitment and tireless work ethic were critical to the seemingly impossible task of reopening the John Vanderzicht Memorial Pool, an effort engineered in partnership with the community. In 2018/2019, while serving as Acting Chair and Vice-Chair, Shane continued his unwavering support of the pool as it reopened, handling the facility maintenance and operations until levy funding became available for much needed renovations.

Shane takes great pride in being able to bring about successful change through political involvement as he encourages others to also become involved. "It's the people that I represent, that's why I serve, and I believe any success is ours together and that success is best shared."

Now is the time to bring this same results-driven intention to fighting for an affordable future for Oak Harbor residents by electing Shane Hoffmire.

My approach to local politics can be summed up in the following questions: "What path do you think our city should take moving forward, and how can we work together to get it done?". Instead of seeking a position on the city council to propose some personal or political agenda, my preference is to listen and find out what changes the citizens of Oak Harbor want to see.

It's understood that many issues are on our minds: affordable housing, transparency, downtown revitalization, spending accountability, and smart sustainable city development just to name a few. I look forward to having conversations with individuals and businesses who are willing to share their ideas, so together we can find the best way for our city to move forward.

My greatest strengths are the ability to work with and listen to individuals from all walks of life, my business experience, and love for our community. It would be my privilege to use these strengths to benefit our city.

I am humbled by the quality and quantity of community leaders who have chosen to encourage and support me in my run for city council. I would be honored to have your support as well.

Whidbey Island Public Hospital District

## Proposition No. 1

The Commissioners of the Whidbey Island Public Hospital District, Whidbey Island, Washington (WhidbeyHealth) adopted Resolution No. 418, concerning a proposition to increase its regular property tax levy. If approved, this proposition provides funds to continue operations of WhidbeyHealth Medical Center and Clinics, including replacement of medical equipment and infrastructure, and personnel costs. The proposition authorizes a maximum regular property levy rate of \$0.50/\$1,000 of assessed value, for collection in 2022. The 2022 levy amount would become the base for computing the limitations for levies in subsequent years as provided in 84.55 RCW. Should this proposition be approved?

Yes

No

## Explanatory Statement

Submitted by Jake Kempton, Attorney for District

The Whidbey Island Public Hospital District, Island County, Washington provides essential health care services to the residents and visitors of Whidbey Island through operation of WhidbeyHealth Medical Center, WhidbeyHealth Primary Care Clinics, WhidbeyHealth Walk-in Clinics, WhidbeyHealth Surgical Care, WhidbeyHealth Orthopedic Care and WhidbeyHealth EMS Services. The WhidbeyHealth Board of Commissioners has determined that due to steadily increasing operating costs combined with the sustained impact of the COVID-19 pandemic, it is necessary to seek approval for an increase in its regular property tax levy to provide funds to ensure continuous operation of WhidbeyHealth Medical Center and Clinics, for replacement and improvements of medical equipment and infrastructure, to aid in recruitment and retention of health care personnel, and to meet the current and future healthcare needs of resident and visitors of Whidbey Island.

If approved by the voters, this proposition will authorize the District to increase its regular real property tax levy rate from its current level of \$0.07 per \$1000 of assessed value to \$0.50 per \$1,000 of assessed value beginning in 2021. The 2022 levy amount will be used for the purpose of computing the limitations for levies in subsequent years.

**Arguments For and Against this measure are on next page →**

## Argument for

### **Your Local Independent Community-Owned Hospital**

WhidbeyHealth Medical Center and Clinics provide essential emergency, medical and wellness services for residents and visitors of Whidbey Island. In addition to acute care services, WhidbeyHealth maintains three primary care clinics, two walk-in clinics, orthopedic and general surgery clinics, and a women's health clinic. WhidbeyHealth relies on local tax support to supplement the operation and maintenance of its facilities.

### **There For You When You Need It Most**

WhidbeyHealth has been a beacon of hope to the community throughout the COVID-19 pandemic and is proud to have vaccinated over 17,000 residents of Whidbey Island. Now more than ever, Whidbey Island residents deserve to have access to high-quality health care. WhidbeyHealth's dedication to patient-centered care and its responsibility to the communities it serves are what drives it to continually improve. As the community continues to grow so must our island healthcare system.

### **Your Tax Dollars in Action**

The increased revenue will strengthen the hospital's ability to maintain, replace and upgrade medical equipment, as well as make infrastructure improvements. It will also allow WhidbeyHealth to be more competitive in recruiting and retaining top-notch health care workers and staff.

### **We Need Your Support**

WhidbeyHealth is committed to providing local, independent, high quality health care to residents and visitors of Whidbey Island. Vote yes to support your local health care heroes!

**Statement**

It's been a great honor to represent Whidbey Public Hospital District 2 since my original appointment in 2017. As a health care law attorney for the last 43 years, I bring the benefits of that experience, knowledge, and insight to the Board's evaluation and consideration of the myriad complex issues facing our local health care community. In my interactions with my fellow Board members, the executive leadership team, and the health care providers, I always strive to respectfully listen and understand the views of others, and then after gathering the appropriate information, make decisions that are in the best interest of providing excellent healthcare to our community. Many of these decisions present difficult choices, but none of them are taken lightly. In considering these issues, I always try to keep the health care needs of our community, especially the needs of those who face challenges in paying for health care, uppermost in my mind.

I am very proud of the work the Board has done during my tenure and excited about the plans and goals for the future. I hope to be able to continue this work for the next six-year term and would appreciate your support.

**Biography**

My family has been on Whidbey Island since 1980. My wife retired from Whidbey Health as a Registered Nurse. I have a Juris Doctorate from UPS and Notre Dame and owned my own business for 15 years.

Currently treasurer of Harris Custer Water Association and past president. I have served on the Oak Harbor Library Board and as president of the Oak Harbor Friends of the Library. At the state level, I was elected 4 times to the Idaho State Legislature. At the national level I served as a political appointee to the President in Washington D.C.

**Statement**

If elected, I plan to take a professional approach to the issues facing Whidbey Health.

Some of these issues are: Why does the hospital appear to charge higher rates than other nearby hospitals? Why has the turnover of staff and surgeons been so high? Why has there been a lack of raises for the staff? Why are the nurses being underpaid? Why does Whidbey have so many executive officers? Why are board meetings held at 7 a.m. on Monday mornings and not in the evenings when more of the public can attend?

We need greater accountability of the CEO and the Board of Directors. There is room for improvement and I would hope that I could contribute to the service that this hospital provides to our community.

**Statement**

We have an obligation to our students to provide every opportunity for them to become outstanding, well educated, involved citizens. We need to continue to set high expectations and then support their efforts. As the current President of the Oak Harbor School Board, I have a keen awareness that our community has the ability and drive to support students. This Board and Administration has exercised financial prudence and worked successfully with our employee groups to ensure the students have what they need. Our teachers and staff are exceptional. I was proud to be chosen by my fellow board members to serve as Board President for two consecutive years. I was honored to lead our district through mandated shutdowns, and through well thought out reopenings that greatly exceeded our neighboring districts. I will continue to advocate for our students and do all I can for their success as we come out of these very difficult times. Our community approved this year's School Levy and your continued support will benefit our students and ultimately our future. Thank you for your vote and support.

**Statement**

It's time for all of us to breathe some fresh air, literally, and apply more critical thinking and hands-on real world skills to our local schools.

Since my arrival in Oak Harbor, I have heard complaint after complaint about the local district. From the frivolously high administration salaries that leave our learning programs wanting and the hand of the levies in our wallets, to the never-ending-lies-based-pseudo-science social experiments that leave our children ill prepared for a functional life in the real world, these problems need to stop. Our children come first, and in conjunction with my future board members, I intend to have a hand in making that so.

My life experiences have taught me that our children and young adults need more than a computer screen. They need to be engaged with a sense of ownership of the learning process, with results that have more physical substance than just a grade.

If you are interested in a candidate with a more diverse set of ideas, I'm your man. With your vote, I will arrive at my post ready to inspect if the stewards of our tax dollars are doing their tasks correctly and efficiently.

I am extremely proud of the accomplishments already achieved in my first term and look forward to continuing the good work that has already begun. Student achievement is always the main focus, and I am proud that our graduation rates are at historically high levels. The high school format was changed to a trimester system that allowed for additional graduation flexibility for our students. Teacher and staff compensation has been increased to reflect the professional level of work they do, and to provide targeted increases, providing equity to many classes of employees historically underpaid, and often occupied by women and people of color. Through great leadership and buy-in of all employee groups, our schools led the way regionally to re-open after Covid-19, safely returning students to in-person learning. There is a lot of work left to do, including bridging the learning gap caused by Covid-19, modernizing many of our aging facilities, and hiring a permanent Superintendent. I have been humbled by the community support during my first election, and as we navigated Covid-19 closures which was the most difficult and unprecedented situation in my lifetime. I hope to earn your support for four more years.

As a 21 year resident on Whidbey. I am running for Coupeville school board because I think we can do better for our students, parents and community.

Academic performance has declined and student enrollment is down. I will work together with other board members, teachers and community members to make the best possible learning experience. The kids need to have full time in person school with sports, dances, field trips, technical and trade classes.

I will ensure equality and opportunities for all students to succeed.

Some of the facilities and buildings have deferred maintenance. I will work together with the board to maintain and protect our valuable community investment.

I am a father of four children, two of which are in Coupeville Schools, I am fully invested. I want to see all the students happy, engaged and looking forward to going to school each day. We have a lot of great teachers and professional staff. I want to ensure that morale is high, that they have all they need to do their job well and look forward to coming to work each day. I pledge to be a fierce advocate on behalf of all our children, recognizing each child’s individual needs.

I’m running for School Board because it’s time for positive change in our School District. But my inspiration and passion for improving education goes even deeper.

I witnessed my own son struggle emotionally over the past year due to the loss of his greatest passions, baseball and spending time with friends. My eyes were opened to the growing mental health epidemic among young people, the need for more emphasis on extracurricular activities, and how closely the two are connected. I realized that if my own son was struggling, there were so many other children struggling too. When I’m-elected, I will fight for reviving our athletic program, because that will improve our children’s academics, mental health, social skills, and community involvement in student’s lives.

I believe in “getting in the game” with passion - whether being a Para educator, keeping score, sitting on the board of South Whidbey Little League or running my local business. I promise to be engaged with parents – and when action is needed, I will take it!

Excellence, Integrity, Equity

I am running for re-election for the South Whidbey School Board because I want to continue guiding the district in a direction that serves all students. My active duty husband and I moved to the island when he was stationed at NAS Whidbey. We feel so blessed to be here. Our son recently turned three and we look forward to raising our family in this community. That includes a three-legged goat named Chief and our other beloved rescue animals. Over the last four years, with my education and work experience, I have led the Board in the hard work of updating outdated policies; especially in facilitating restorative conversations, continual improvement with the goal of excellence, and development of the Equity Policy. I have spent my professional career advocating for, advancing, and evaluating programs that support the needs of all students. I feel strongly that a high functioning public school system is crucial to a student’s preparation for life in our world and to a vibrant community. My intention, if honored with a second term, is to continue to strive for excellence, integrity, and equity in our district. I hope that I can count on your vote.

**Statement**

Whidbey Island is my home and I am running for school board because I believe it is time to be involved and not merely a sideline spectator.

I have been an Orca, a Cougar, and a proud Falcon student! I think about the wonderful experiences I had going to school here, the great rapport I had with my teachers, and the lifelong relationships I developed. I want that for all South Whidbey students.

My concern is the deterioration of our school facilities, loss of teachers, and educational opportunities providing important life skills. They are being replaced with programs that do nothing to prepare our children for the road ahead.

There has also been a steady decline in student enrollment over a number of years and for many reasons, but deficiencies have been highlighted during the last school year. I am committed to listen and represent you and bring your concerns to the table.

Change is good, and the only thing constant in life is change. I want to be a part of that change in my community. We owe our students, teachers, and parents the best experience possible, so remember, change begins at the end of our comfort zone.

**Statement**

Supporting Students, Advancing Excellence

As a current School Board member, I love working with our community to ensure our schools are inclusive, welcoming, and safe places for our children to learn, grow, and thrive. I am asking for your vote so that I can continue the vital work of serving our students and families. I am committed to the social-emotional wellbeing and academic growth of our students, through innovative and equitable approaches in curriculum and policy. In my service on the board, it has been a privilege to work with student leaders at the middle and high school levels to adopt policies and curricula that meet their educational needs in an evolving world. I am honored to serve this district's mission to support each student to be a resilient, innovative, compassionate, and productive graduate prepared for a diverse and dynamic world. I am a lifelong learner who brings decades of experience to improving outcomes for students on South Whidbey. In my free time, I enjoy kayaking, gardening, and exploring nature with my human and animal family members. As well as being a SWHS graduate myself, I am the mother of two current SWSD students and one SWSD grad.

**Statement**

A Voice For All

I strongly believe that our students are our most important local resource. In 25 years of educating and advocating for children and youth it has been my constant goal to encourage and elevate the voices of students, their parents, caregivers and community members who have historically been under-represented and unheard. I utilize these same strategies in my duties as Board member since my appointment in 2020. If elected to continue serving, I will maintain strong support of social and educational justice for all students. I will endorse effective, competently managed schools and respect for educators as qualified professionals in their craft. I will emphasize the use of accurate, outcome-based information in the Board decision-making process. As a parent, I have been privileged to see my own children grow and succeed as South Whidbey School District students. As a community member, I want every child to envision themselves a future driver of government, industry, human services, the sciences and the arts. My work as a School Board member is to help deliver that vision. I believe in the power of schools, and I would be honored to have your vote.

**Education**

South Whidbey High School 1995; Edmonds Community College 1998

**Community Service**

Active member of the SWHS Athletic Booster Club since 2016

**Statement**

I was born on Whidbey and attended South Whidbey schools. After graduating I attended Edmonds Community College on a basketball scholarship, and earned my paralegal degree. I have been employed by the same Seattle law firm since 1998. My husband and I decided to raise our family here for the great education and extra-curricular experiences at South Whidbey. I have fond memories of growing up in the same school attended by my ancestors, including being taught history by my Uncle. One son graduated last year and our other son is currently a sophomore.

I am running for school director because we need people who have children in school on the board. Being involved with the students keeps me in touch with their needs. This last year has shown me how much these students need to be heard, and supported regardless of their individual backgrounds. Decades of student enrollment decline has resulted in lost revenue, reducing teachers and lost programs, and is noticeable by the lack of facility maintenance. To end this downward spiral we need leadership change! Let's focus on making South Whidbey a magnet school district attracting students to a welcoming first class education and facilities.

**Albert  
Schreiber**

**Elected Experience**

Director Schreiber has served 8-years on the Stanwood-Camano School Board where he served as President and Vice President. Schreiber served as a Whatcom County Planning Commissioner.

**Other Professional Experience**

Senior Special Agent Schreiber retired after 36-years in law enforcement including 9-years teaching at the Federal Law Enforcement Training Center (FLETC) and the International Law Enforcement Academy (ILEA).

**Education**

Mr. Schreiber received his Masters degree from Willamette University, Salem, Oregon. (Studying both Business Administration & Public Administration)

**Community Service**

Schreiber serves as a volunteer and/or consultant at Church, Camps, Scouts, CERT, and other non-profit organizations. Al lives in Warm Beach with his wife and their teenage triplets.

**Statement**

Promises made, promises kept. Keeping our commitment not to raise local school tax rates.

Experience is important, Schreiber has more board experience that most of the directors and the majority of those have less than 2-years. With the retirement of the Superintendent and Assistant, the new superintendent will need the support of an experienced board.

Experience in providing a safe learning environment is critical today and Schreiber is the only director/candidate with an extensive background in Public Safety.

Experience advocating/supporting marginalized groups and those most vulnerable including special education.

During the past 8-years we started with providing full-time kindergarten in all elementary schools and a principal in every school (no more shared administrators). Most recently we completed our new Stanwood High School, new Church Creek Campus (Lincoln Hill High School, Lincoln Academy, Saratoga School homeschool parent-partnership), Maintenance/Technology Center, and renovated the stadium. All with no increase in local school tax rates as promised.

Please keep the vision going, re-elect Al Schreiber.

Our children will graduate from school ready for further education, careers, and a successful future. They will reflect community values including work ethic, persistence, integrity, fiscal responsibility, creativity, problem-solving abilities, and a desire to give back to their community.

**Statement**

I believe our schools should concentrate on quality fundamental education: reading, writing, math, science, etc. While many school districts are prioritizing trending ideologies, my goal is to support and promote teaching and learning of core foundational subjects.

I want all students to reach their greatest learning potential. None of us learn the same way, and students need to know that is normal. Providing students with only a median education denies the diversity inherent in people. It is essential to meet the varied needs of students in order to help them reach their full potential.

I believe parents and families have a pivotal role in guiding their children through the pitfalls and ramifications of the societal and political challenges of our nation. When educators impart factual information without bias while promoting life skills like integrity, leadership, kindness, and teamwork, students and families will have the freedom to work through their meanings.

I believe students benefit most when families and educators partner together in the learning process. When parents are involved, students receive more quality support and personalized attention. I want to continue to foster policies that promote parental involvement and positive communication between educators and families.

**Statement**

As a local community member for 20+ years and raising 3 children in our public-school system, I have seen the challenges our students and teachers face in this ever-changing environment, even more so with Covid this last year. I want to help our students, teachers, and community come out of the pandemic with the physical & emotional supports they need to feel safe coming back to the classroom; where we all know students do their best learning.

To date, I have helped to facilitate better communication across our district, have lobbied hard to make sure our schools are fiscally supported by the state – by making sure they fixed funding for school transportation and student enrollment, and started addressing the issues of equity for our students.

With my re-election, I will continue to work on our district communication efforts as well as focusing on the social-emotional needs of our students and staff as they come out of this pandemic and most importantly, help brainstorm innovative ways to help our students gain back scholastic proficiencies, they may have lost during the last 16 months. Having a high school student, myself, I understand the loss that many of our students have faced.

**Statement**

I have been involved in our school district for many years as a parent, in the student store, and in the classroom. I am involved in our community as a citizen, a parent, and now a grandparent, I want to be your voice.

Classroom teachers and parents must create school policies and practices appropriate to the students, not politicians. 12 years in Army Reserves taught me that it is boots on the ground, not generals, that get things done. When elected I will strive for an education for our kids based on the 3 Rs and age appropriate programs emphasizing personal growth and responsibility.

The state is required to provide education for our children but Legislation imposes a required curriculum based on politics and racism. With a year-long shut down extended by union demands, our schools are in crisis.

It is time to Reopen the Schools, with new questions being raised about the risks of mask wearing, we must look at the science data, assess the risks, as well as acknowledge the challenges students are experiencing, while providing the support needed for those challenges. Appointed to the Port District of South Whidbey Island as the District 2 Commissioner on February 25, 2014, and elected to the POSW Commission for a 6 year term in January 2015.

**Other Professional Experience**

Has an extensive background working with education, government and non-profits. Member of the Society of Manufacturing Engineers (SME) for more than 40 years.

**Education**

Education includes an AA and BS in Manufacturing Engineering, and an MS in Management Systems. Also holds several professional manufacturing certifications.

**Community Service**

Dedicates time to South Whidbey nonprofit organizations and activities including SW schools and the Rotary Club of Whidbey, Westside.

**Statement**

After retiring to Whidbey Island in 2004 I was anxious to become involved and participate in a variety of community activities and services. I felt that many of the skills I had acquired during more than forty years of professional management experience would be valuable in this endeavor.

My mission in pursuing the Port of South Whidbey, District 2, Commissioner's position in the 2021 Election is very straightforward. The mission of the Port of South Whidbey is to enhance the economic well-being of the community and to improve public access to marine areas while respecting the unique rural character and environment of South Whidbey. Having served in this position for the past seven years, I feel confident that I can, and will, continue to contribute significantly to this mission and to the Port's multifaceted activities.

I feel that my extensive background and experience, coupled with my years of involvement and exposure to many of South Whidbey's community activities, would be an asset as a Commissioner of the Port of South Whidbey. I hope you will consider me as a candidate for the Port of South Whidbey, District 2, Commissioner's position. Thank you.

### **Statement**

Communities are always connected to entities that provide services, be it the fire department, law enforcement or utilities. This even more evident in the South Whidbey community with our fire department, because we are strongly supported by our volunteers.

Having grown up in a firefighter family, (father and uncle both firefighters), and having been a firefighter myself for 36 years with the Los Angeles Fire Department, I understand what is important to both our department and our firefighters . Service, safety and training are crucial elements with departments large and small, and South Whidbey Fire/EMS is no different. The firefighters and volunteers at SWFE are dedicated to bringing those elements to every call.

Our fire commission is committed to working with our officers and firefighters to assure the department is well run and financially sound. We are all a part of South Whidbey, and as difficult as 2020 has been, we continue to upgrade and move forward to make the department better.

I look forward to remaining on the commission and appreciate your vote.

**Statement**

I love nothing more than community. Whether it's my own or not or even reflected in pop culture, there is nothing better than the sentiment that comes alongside a great community.

North Whidbey Pool, Parks, and Recreation is an optimal organization to establish and build the best pillars for our incredible community as a whole.

After moving to Whidbey in 2015, I quickly found and fell in love with the pool and was devastated by the levy failure, and subsequent shutdown in 2017. However, due to the hard work of the Commissioners, the pool was able to reopen. At the time, my power resided within my vote, but I am propelled to bring more to the table with my voice and ideas.

My goal as commissioner is to implement more programs that are family, and budget, friendly to be inclusive of all residents for not only the pool, but for the gorgeous space we have as a whole.

I am eager to bring the District a fresh outlook and the uniqueness of being a former outsider who has been welcomed and absorbed into the community.

I believe community service is a great way to have a positive impact on the lives of others.

**Statement**

As a long-standing resident of Oak Harbor and former Executive Director of the North Whidbey Pool, Park and Recreation District, I know what an invaluable asset the District is for our community. I've seen firsthand the positive impact it has on our residents through swim lessons and water safety training, as well as other recreational activities including the off leash dog park. For many, in all age groups, and at all different levels of physical abilities, the pool is often the only place they can get the health and wellness benefits of exercise and physical therapy. The off leash dog park is also a community asset for dogs and their owners to get exercise and interact with others. I bring a unique perspective of knowing both sides of the operations and administration of the District. I want to use that experience and knowledge to help continue the current work being done, to expand the recreational offerings inside and outside of the pool, and to help the District continue to be an invaluable resource to support our community now, and into the future. I would appreciate your vote to serve you!

**Statement**

As a life-long advocate of activity and fitness for the youth and families of South Whidbey, the chance to serve as a commissioner on the Parks and Recreation Board is a fantastic opportunity! Creating and sustaining areas, programs, and opportunities for all ages is not only a calling, but a very deep part of my belief in the power of active engagement. I have worked hard my whole career to provide paths for our youth to find enriching activities and passions that will serve them well as they become active members of our local community. My own children and family have enjoyed the benefits of the wonderful opportunities provided by local parks and recreation offerings, so devoting time to such a great cause is an excellent way for me to help foster programs for the next generation. It is my hope that I can also bridge communication and opportunities between our local school district, multi generational groups, outdoor enthusiasts, clubs, and the greater Whidbey population as a whole. I am truly passionate about the importance of park systems and the positive impact it has on individual and societal health. Thank you for this opportunity and your support.

### **Community Service**

In addition to my volunteer service on the Parks Board, I have served in a volunteer capacity for the City of Langley, the South Whidbey School District, the South Whidbey Parks and Aquatics Foundation, the United Way, and on projects for other local civic organizations.

### **Statement**

Park facilities and Recreation programs are important threads woven into the fabric of life on South Whidbey. When parks programs are accessible, we have places to gather and spend time together. Parks that support a diverse range of outdoor activities offer opportunities for all of us to be more active, healthier, and happier. My desire is to continue to serve this community as a Parks Commissioner, to help our Parks system and our recreation programs become even stronger, more diverse, and more inclusive across our entire South Whidbey population over the next four years.

If I am re-elected, my goals for this term include maintaining and enhancing the District's existing properties and continuing to responsibly expand the parks system. Some of the specific growth and expansion programs that will be my focus in the next four years include steadily expanding our trails systems, responsibly planning for and building a public aquatic wellness center, developing a plan for a turf field at the Langley Road complex, and opening the campground that has been in work over the past several years to address the permanent closure of the camping facility at South Whidbey State Park.

I humbly ask for your vote.

**Statement**

As noted on the District's website, the Freeland Water and Sewer District's mission is to provide high quality potable water at reasonable rates. As a commissioner, my role is to support that mission and to ensure the District is financially sound now and in the foreseeable future. I consider this role to be important community service.

**Elected Experience**

Currently, Jill Lipoti is filling a vacancy at the Scatchet Head Water District. She also serves on the Marine Resource Committee for Island County.

**Other Professional Experience**

Dr. Jill Lipoti worked at the New Jersey Department of Environmental Protection for 27 years, serving as Director of Water Monitoring and Standards. Jill has also served on the Boards of various professional organizations. She has created and taught courses on sustainability at Rutgers University.

**Education**

Jill Lipoti has a Ph.D. in Environmental Science from Rutgers University.

**Community Service**

Jill served on the School Board, Borough Council, Senior Citizen Housing Corporation, and the Arts Project in Roosevelt, NJ.

**Statement**

The Scatchet Head Water District (SHWD) serves 413 connections providing a vital service to the community. Having moved to Scatchet Head in 2018, it became obvious from reading the Water System Plan that the infrastructure had deteriorated due to age. The District was spending significant funds to make repairs, with less emphasis on preventive maintenance. After appointment to the Board, I have worked with the Commissioners and volunteers to put together an asset management plan which lists all of the pumps, valves, and pipes, and puts them all on a schedule for planned replacement as they reach the end of their useful life. This ambitious plan is laid out in the Preliminary Engineering Report on the SHWD website. The US Department of Agriculture has approved the District for a loan at a very low interest rate. Now the real work of making infrastructure improvements can begin. I hope that I can use my experience and education to make changes to the water system in a fiscally responsible way that can limit the amount of money spent on emergency repairs and maintain the system through proper management of its assets.

Your ballot packet for the November 2, 2021 General Election will be mailed on or about October 12, 2021.

**The packet will contain:**

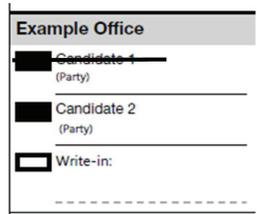

- Your Official Ballot
- A blue secrecy sleeve with instructions.
- A return envelope

To make sure your vote is able to be counted, please follow the voting instructions.

**Mark your ballot** by completely filling in the box to the left of your choice with a black or blue pen.

**To change your vote**, or correct a mistake on your ballot, draw a line through the incorrect choice. You then have the option of making another choice.

If you want to vote for a write-in candidate, fill in the box to the left of the line provided and print the name.

Writing in the names of cartoon or fictitious characters or a friend's name as a write-in candidate is a waste of taxpayer time and money, and slows results reporting.

Write-in candidates must file a declaration to have votes tallied for a race. Write-in votes are only tabulated when the total number of votes for a declared write-in candidate in a race is more than the number of votes cast for the apparent winner of the race.

**No stamp is needed to return your ballot.**

**Make sure your vote can be counted.  
Sign the ballot return envelope.**

**Return your ballot early.**

**You may vote for only one candidate** in each race and only one choice for each measure. If you vote more than once in any contest, it is an over-vote and no vote for that contest will be counted.

**You do not have to vote for every contest** on your ballot. You have the option to vote or not vote on any item on your ballot. Not voting in a race will not impact the remainder of your ballot being counted.

**Once your ballot is marked**, place it in the blue secrecy sleeve. It is fine if you forget to put your ballot in the blue sleeve before putting it in the return envelope. The blue secrecy sleeve protects the privacy of your ballot, but it is not required. Do not use tape on the sleeve and ballot.

**Sign the return envelope.** Ballots without a signature are unable to be counted. Do not sign anyone else's envelope. It is a felony to sign someone else's ballot envelope on their behalf under any circumstances. A power of attorney is not valid for voting on another person's behalf.

**Return your ballot.** Ballots do not require postage.

**Reminder:** You can make sure your ballot is returned on time by depositing your ballot in one of our six accessible drop boxes, open 24 hours a day. Vote safely, vote early!

**Recommendation by the  
U.S. Postal Service:**

“The USPS recommends voters mail ballots 7 days before election day.”

- Ballots will be mailed to voters the week of October 11, 2021. If you don't receive your ballot by Monday, October 18th, please contact the Elections Office at (360) 678-8290. We will be happy to send you a replacement. You can also get a replacement ballot online at [www.votewa.gov](http://www.votewa.gov).
- The post office will forward your ballot if you have an active forwarding order on file.
- No postage is required to return your voted ballot.
- Plan ahead. Make sure your voter registration is up to date. You can also go online and verify your voter registration status anytime at [www.votewa.gov](http://www.votewa.gov).
- Mailing your ballot on Election Day does not guarantee it will be postmarked in time to be counted. If waiting until Election Day, have USPS staff hand stamp your ballot envelope. Note: the USPS recommends that you mail your ballot 7 days before the date of the election. You can also use one of our ballot drop boxes up until 8:00 p.m. on Election Day.
- You must sign your ballot envelope for your vote to count. If there are multiple voters in your household, be sure to sign the correct envelope.
- Power of Attorney is not valid for voting.
- Trained election workers check every signature on every ballot envelope against the signature on file. If there is a question about your signature or if you forget to sign your ballot envelope, you will receive a letter, giving you the opportunity to remedy the ballot so that it can be counted.
- If you don't want to vote in a race or measure—leave it blank. The rest of the votes on your ballot will be counted.
- Writing in the names of cartoon or fictitious characters or a friend's name as a write-in candidate is a waste of taxpayer time and money, and slows results reporting.
- Write-in candidates must file a declaration to have votes tallied for a race. Write-in votes are only tabulated when the total number of votes for a declared write-in candidate in a race is more than the number of votes cast for the apparent winner of the race.
- Ballots are processed as they are received in the mail or in ballot drop boxes. On Election Night, vote totals will post between 8:00 and 9:00 p.m. We will continue to process ballots and post new totals each day that we have sufficient ballots to count.
- All processes are open to the public. Observers are welcome to come and observe, as space allows, as we perform the people's work.

**Residents who are not already registered to vote in Washington may register, in person, at any Elections Office through 8:00 p.m. on Election Day and still vote in the November General Election.**

**The Island County Elections Office is located at 400 N. Main St. in Coupeville or at the Camano Annex at 121 N. East Camano Dr., in Camano Island.**
